CHECK Received Total: \$130.00

Pursuant to 37 CFR § 1.181(a)(3), Applicant petitions the Commissioner for acknowledgement of consideration of the original filing date of May 22, 2000 in the above-identified application.

The above-identified application was filed on May 22, 2000 with thirty-eight pages of specification, twenty claims, an Abstract and thirty sheets of drawings without fee. Copies of the dated stamped filing receipt and postcard are attached hereto.

On August 9, 2000, a Notice of Incomplete Nonprovisional Application was issued. The notice stated that the filing date had not been accorded because 1) a Declaration/Power of Attorney is needed; 2) the specification submitted on May 22, 2000 was not submitted with at least one claim; and 3) statutory basic filing fee was missing.

On October 10, 2000, a Response to the Notice of Incomplete Nonprovisional Application and included a surcharge of \$130.00 for the Declaration along with the Declaration and Power of Attorney, the basic filing fee of \$710.00 and an Assignment with cover sheet with fee was filed.

On November 15, 2000, yet another Notice of Incomplete Nonprovisional Application was issued. The second notice stated that the filing date still had not been accorded and that a new Declaration/Power of Attorney and that a specification that included at least one claim needed to be provided.

In response to the second Notice of Incomplete Nonprovisional Application a Response to the Notice of Incomplete Nonprovisional Application was filed on December 4, 2000. In the second request, a copy of the specification as previously filed on March 22, 2000, along with a copy of the executed Declaration/Power of Attorney (originally filed on October 10, 2000), and a copy of the stamped filing receipt for the first Response to Notice of Incomplete Nonprovisional Application of October 10, 2000 were filed.

Applicant's representative then received the Official Filing Receipt on December 14, 2000. The receipt had the filing date of the present application of December 4, 2000.

A complete specification including at least one claim in compliance with 35 U.S.C. §112 was filed on May 22, 2000. A postcard and acknowledgement stamped as evidence of the receipt of these materials by OIPE is attached hereto.

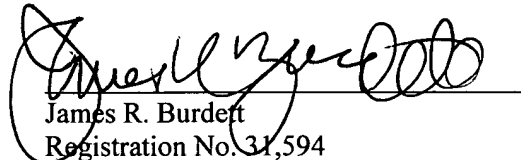

In accordance with 37 C.F.R. §1.181(3), Applicant respectfully requested that the Official Filing Date of the above-identified application be March 22, 2000, the date of the original filing of all materials required by 37 C.F.R. §1.53(b) to receive a filing date.

Petition Under 37 C.F.R. 1.1(3)

U.S. Appln. No.: 09/576,386

A check in the amount of \$130.00 is attached hereto for the petition fee. However, as this Petition is necessitated by U.S.P.T.O. error, a refund of the petition fee is requested.

Respectfully submitted,
